

The Office of the Information Commissioner is part of the Jersey Data Protection Authority. We are an independent regulator responsible for overseeing the Data Protection (Jersey) Law 2018*, the Data Protection Authority (Jersey) Law 2018* and the Freedom of Information (Jersey) Law 2011.

Our office was established with the aim of ensuring the people of Jersey are provided with a high standard of data protection. We are an independent, regulatory public authority whose mission is to promote respect for the privacy and information rights of islanders.

For further information click here to see our Regulatory Action and **Enforcement Policy.**

How can we help you?

* Data Protection (Jersey) Law 2018 is referred to here as "DPJL" and the Data Protection Authority (Jersey) Law 2018 as the "DPAJL".

Help you amicably resolve an issue with a controller by way of our **AMICABLE RESOLUTION PROCESS.** This is separate to our formal complaint process and can be chosen by you as an alternative to making a formal complaint.

formal reprimand and in certain circumstances we may consider

CONDUCT DATA PROTECTION AUDITS. To ensure Jersey businesses are compliant with the DPJL we can conduct data protection audits.

> **INVESTIGATE MATTERS THAT DO NOT RELATE TO** LAWS WE REGULATE. We can only deal with data protection (and freedom of information) related matters. We cannot get involved in employment or

> > **BRING PROSECUTIONS FOR CRIMINAL** MATTERS. We can, however, refer criminal matters to the Attorney General, and assist the States of Jersey Police, if required.
