Dear [Redacted]

Right regarding automated individual decision making (decisions made about me without human involvement)

I would like to exercise my rights relating to decisions made about me without human involvement under Article 38 of the Data Protection (Jersey) Law 2018.

I have the right not to be subject to a decision based solely on automated processing that produces legal effects or similarly significantly affects me. I understand that this does not apply if the decision;

- a. is necessary for entering into, or performance of, a contract between your organisation and me;
- b. is authorised by a different relevant law to which the controller is subject and which also lays down suitable measures to safeguard my rights and freedoms and legitimate interests; or
- c. has been based on my explicit consent

Please send a full response within 4 weeks of receipt of my letter. If you cannot respond within that timescale, please tell me when you will be able to respond.

If there is anything you would like to discuss, please contact me (state your preferred means of communication).

If you need advice on dealing with this request, the Jersey Office of the Information Commissioner can assist you. There is guidance on the website at www.jerseyoic.org or you can call them on 01534 716530.

Yours faithfully / sincerely,
